Dear Club,

My girlfriend, Sam, and I were having a dirty weekend in Dublin last month. We had a great time going round the usual tourist spots, drinking in some of the lovely pubs and, of course, doing a good deal of hard fucking in between! Sam had brought with her plenty of sexy underwear and I had my camcorder with me, so you can imagine what we were going to get up to. We didn't realise that things would end up getting even steamier than we could possibly hope for.

On our first night we went out for a couple of Guinneses and then a nice meal in a posh restaurant. When we were almost finished Sam dropped her serviette on the floor.

"You couldn't pick that up for me, could you?" she smiled. Sensing there was another reason for her doing this, I ducked down under the table to pick it up. I grabbed it and glanced upwards – Sam had spread her legs and was showing me she had no underwear on! She was wearing black hold-ups and that was it – her beautiful pink pussy was fully on display in front of my eyes.

I came up for air and suggested we get the bill, but of course since I now had a massive hard-on it was some while before I could get up from the table. Barely twenty minutes later we were in our hotel room. I had stripped off completely and Sam was down to her sexy black underwear, still with no panties, of course. She lay back on the bed, clad only in stockings and basque-like

top. She spread her legs wide and inserted a finger into her glistening pussy, and sent me wilder still when she suggested we film ourselves fucking.

I didn't need to be asked twice and soon had the camcorder out, gliding it all over her body, taking in her sweet breasts, which she had popped out of the basque, her long, slim legs and ending up on her succulent pussy, which she helpfully gently opened up with her fingers, throwing her head back in ecstasy. My cock was soon sliding in and out of her tight cunt hole, with the camera happily recording every moment of our sensual pleasure. It was such an incredible turn-on to be fucking and filming at the same time. It wasn't long before I felt I was ready to come so Sam removed my prick from inside her and insisted I spunk on her beautiful alabaster

“...spread-legged, stroking her engorged pussy and rubbing her poker-hot clit.”

tits. With the camcorder still humming away, I shot several jets of hot come all over my sexy girlfriend, somehow managing to capture it all on film despite my shaking hands. I collapsed on top of her and putting the camera to one side licked most of my come off her tits and immediately French-kissed her to deposit it in her wet and willing mouth. Needless to say it wasn't very long before we were fucking again. In fact, I think we did it about four times throughout the night.

So when the next morning arrived we naturally slept in till very late. After stirring about 11, we made love once again and I slipped into the shower. What happened next was told to me by Sam a little later on. Apparently after I gone into the bathroom she had lain on top of the bed, still fully naked and spread-legged, stroking her engorged pussy and rubbing her poker-hot clit. She hadn't come when we'd fucked so was still really horny. As she lay there groaning with pleasure she hadn't heard a knock at the door and, when there was no response, the maid came into the room to clean it! Sam had had her eyes tightly shut as she jammed her fingers into her cunt but then suddenly sensed someone was watching

her. She looked up to see a nervous looking petite brunette cleaner just standing watching her in fascination. Sam was speechless for a few seconds, and the cleaner suddenly said, "Och, I'm so sorry, I'll come back later...", but Sam, sort of composing herself said, "No, no, don't worry... go on cleaning if you want, I don't mind."

When she told me this later it made the scene sound even hornier, that she hadn't straight away said something like "lick my pussy" but just acted quite naturally. If the maid hadn't then broadly smiled and started to lightly dust a picture – while still looking at Sam's gorgeous naked body – then Sam might have got shy, but she didn't and continued to lie there rubbing her pussy while tweaking her nipples. She kept fixed eye contact with the maid who was by now using her hand without the duster in to rub her own pubic mound through her dress.

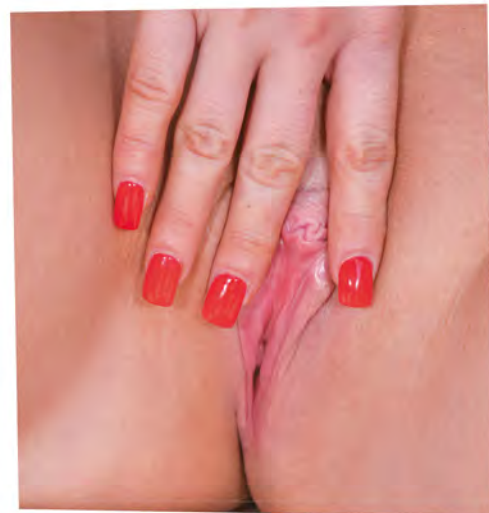

This is about where I came back in. After my shower I walked back into the bedroom, stark naked and sporting another large erection, as I'd been thinking about all we'd been doing recently, when I saw the incredible scene before me.

The maid looked a little shocked and embarrassed but Sam immediately took control: "Don't worry darling," she said to me,

“Tonguing at each other’s slippery pussies, sucking at their tits...”

nearly hairless, both soaking and red hot. I glided my digits in and out and looked down at my cock which was towering above these lovely babes, totally on fire with excitement, more swollen than I’d ever seen it. It wasn’t long before a hand reached for it – two hands in fact, one Mary’s, grasping for my sticky bell-end, and Sam’s, gently grabbing and rubbing my balls. Then I had the idea of getting the camcorder – how could I not? Neither Sam or Maria objected so I shot realms of red-hot footage: Sam and Maria in 69 position, tonguing at each other’s slippery pussies, sucking at their tits, fingering their clits, and after I’d joined in, my prick being hungrily

“our young friend here was just telling me what a beautiful pussy I have. Weren’t you?” Our new friend grinned and said something along the lines of “Yes, you’re lovely, now it’s time to see me.” And before I could faint in excitement, she pulled her uniform off followed by her tights and black panties – she hadn’t actually been wearing a bra, and her tits were huge. She also possessed a fantastically hairy fanny, a real black thatch in complete contrast to my Sam’s neatly trimmed blonde bush. She climbed on the bed and lay next to my naked girlfriend and said, “I’m Mary, by the way.” Sam grinned and gave her a wet kiss and started exploring her body with her eyes and hands. I knelt on the bed over these two visions of gorgeousness and asked them both to spread their legs. They did and, moving forward slightly, I put two fingers up each snatch at the same time, one hairy, one

swallowed by Mary and then fucked by Sam as Mary licked Sam’s cunt and asshole as I did so. It really was the most amazing experience ever. By the time I finally came we’d tried just about every combination possible, and the way the two girls lapped up my spunk will remain with me till my dying day – and the best thing is we have it all on film! So the next time Sam asks if we can bring out the Dublin holiday video, I know exactly how the evening will go...

"To tell the truth I'm having such a good time in London at the moment I don't see the point in jetting off somewhere else," claims the 30-year-old blonde Russian. "London is really happening now. I go to places like Mayfair and meet new people from all around the world, who are here for the same reasons as me. I know I'll have to get a proper job other than modelling one day, but for now, this suits me fine. And I'm enjoying dressing up for this shoot as a naughty nurse!"

We're going in for a closer examination.

CONFESSIONS OF A CHOCOHOLIC!

Every year I try to do a 'choc detox', giving up chocolate between Christmas and Easter, and every time, I always fail miserably, usually after driving my bloke, Jason, mad with all my moaning about cravings and 'withdrawal symptoms'.

This time around, as soon as I mentioned it, he just rolled his eyes and asked why I even bother. I got all defensive and said he could be more supportive. He told me he'd have my back if I was 100 percent serious, but if I cheated, I'd regret it. He's never been the control-freak type so I didn't hesitate to say yes, but he warned me he meant business this time.

I did really well for the first few weeks and Jason was brilliant – he talked me out of lapsing and never wound me up once. Then a mate from my office came back from a trip to Belgium with a big bar of dark chocolate for me – expensive, hardcore, luxury stuff!

No way was I going to ditch it – I kidded myself that I'd save it for when my detox was over. I kept it hidden – too bad Jason found it in the glove box of my car when he took it to be cleaned. He said if it had been untouched he'd have let me off, but it was unwrapped with a few squares missing. I tried to tell him I'd shared it with a couple of friends, but he's not stupid. I tried to laugh it off but he wasn't having that either.

He told me I had to learn my lesson and 'ordered' me to strip off. I smirked a bit but he kept a straight face. Then he had me put on a

pair of heels – the only clue that he was after a bit of fun from this, as those never fail to get him hard.

Despite myself, I was gazing at the bar of chocolate in his hand, hoping he wouldn't waste it. Then he broke a piece off – I heard the snap you get with the really good stuff. He beckoned me over and touched it to the flat part of my chest above my tits. Slowly, with the heat from my skin starting to melt it, he started writing on me – "BAD".

Next, he took it lower down and just drew around my nipples, turning them dark, shiny brown before writing "DIRTY" on one tit and "SLUT" on the other. I moaned as he dragged the piece of chocolate down my belly, honing the tip of it so he could write "CHOC ADDICT" on there.

He just carried on scrawling all over me – maybe the chocolate glasses he drew on my face were a bit stupid – he was sniggering to himself as he did that – but then he turned the torment even higher, drawing "lipstick" on my mouth and telling me I'd better not lick it off. Insult to injury, he bowed his head and sucked on a tit, saying he could understand why I'd found this chocolate so hard to resist, but that didn't excuse me tasting it in the first place.

Even now, all I could think as I saw my supply of chocolate melting away was, "I hope he doesn't use all of it for this." I didn't dare say that to him, but I managed to screw it up for myself anyway. I tried to butter him up, saying he should have written "COCK ADDICT" instead, and he soon fixed that with a bit of licking and a rewrite. Then he told me to get on my knees and prove it. That's when I made the mistake of asking could he smear some of the chocolate on his shaft before I started sucking his cock.

He called me a devious little slut and told me I could get on my hands and knees instead, take his prick another way. First, though, he was going to give me the punishment I really deserved for my bad-girl behaviour. Taking another piece, he wrote "COCK" one cheek and "CHOC" on the other – he showed me in a mirror. We've played spanking games before so he knows what he's doing and he started off gently to warm my arse cheeks up, switching between them and patting

rather than slapping them for the first few goes.

Once he'd got going, he asked me which I really liked best – cock or choc. Feeling cheeky, I said "Choc" a few times to goad him into spanking me, and each time, he'd slap me on the "CHOC" cheek. But when I said "Cock", he just said, "Liar!" and slapped me across the other one instead. Obviously, I

“Now he took two big chunks of chocolate and started rubbing one over each cheek.”

“ ..he slammed in hard, right down to the root in one and started fucking me.”

couldn't win (or lose!) either way and he soon had my bum glowing pink and hot.

Now he took two big chunks of chocolate and started rubbing one over each cheek. It felt cool and smooth at first, but it soon melted between his palms and my arse, both warm from the spanking. He actually grabbed his camera phone and shot a bit of film, of the mess he'd made of my bum and his prick playing down the still choc-free crack of it. He said that maybe fucking me up the arsehole would be appropriate, but he wanted to do me hard and fast so he'd have to settle for sticking it in my pussy.

He stopped filming and started to finger my cunt – I was so turned on by all this, and the taste and smell of the chocolate he'd used on my face and tits was just making it even more unbearable. They say it's an aphrodisiac and “they” are right! And now he grabbed me on the hips, leaving more handprints.

I felt his hard-on bump up against my pussy, then when he'd got it in position, he slammed in hard, right down to the root in one and started fucking me. I could hear my juices squelching as he ploughed in deep, feel his hands reaching forward to grab my tits. Then he stuck a finger in my mouth, let me suck

“It hit the back of my throat and I pulled back, letting him slide out, gasping for breath as he finally slipped clear.”

the chocolate off it.

It was absolute fucking bliss – almost an instant orgasm – but I had to sneak a hand back and rub my clit before I started cumming. And once it began I couldn't stop – the slightest touch would have my pussy tightening up, clenching around Jason's dick then rippling, massaging and sucking on it inside my wet hole.

I know when he's getting close to the edge himself – his body seems to tense up and although he'll jam his cock in deep, he'll slow down, trying to fight it for as long as possible before giving in and humping us both to a cum. I felt him slow down... then he pulled out.

He sometimes does this if he wants me to finish him off with my mouth, but he paused this time and I felt him stroke and fondle my arse cheeks again. Then, when he finally came around the front I saw he'd coated the entire length of his shaft with the melted chocolate from them.

The more I wanted, the further in I'd have to suck him but deep throat doesn't faze me. I moaned, sucking in a couple of deep breaths as I sawed the underside of his helmet in and

out over my tongue. Then, gradually, I took him in deeper, savouring the rich taste of the chocolate, which seemed to meld perfectly with the flavour of my own pussy juices.

I sucked him slowly, pausing only to let him slide out far enough that I could take a breath through my nose. Then I took him back in, nose-tip tickled by his pubes as I used my hand to rub his balls against my chin. I don't know how he held back as long as he did, given how close he'd been before, but he seemed to last for ages before finally letting out a big gush of spunk.

It hit the back of my throat and I pulled back, letting him slide out, gasping for breath as he finally slipped clear. I kept my hands on his prick, aiming it at my face and tits, scooping up his mess, especially from the places where he'd drawn on me with the chocolate, so I could taste it with his spunk. It

was weird but amazing, even better than I expected, sort of salty-bittersweet – another treat I could get used to.

I told Jason that as we watched the filthy footage on his phone – and he fed me the square of chocolate he'd saved for me. If I learned one lesson it's that he's the perfect man for me – he knows what I like and need.

He suggested a different idea – instead of trying to give up chocolate completely once a year, he'd hold on to some chocolate for safe keeping and I'd go for as many weeks as I could at a time – or maybe days – before I needed to beg him to let me have some. Of course, I'd be so desperate for it by then I'd do anything and he'd take full advantage. Not that I'd hate any of it myself!

He's also booked us a weekend in Belgium so we can stock up – and get in a big, sexy, chocolatey mess while we're there!

KEPT BEHIND

I've been seeing Sammy for six months now and she never ceases to amaze me with her inventive approach to sex. I never know what fantasy she's going to dream up next, but what I do know is that it's always going to be good! Sometimes she just gets on down to it as soon as I walk through her door, but other times I'll walk in to find her in some crazy outfit or other and then I'll know there's a role-play evening ahead. Even if she's just wearing jeans and a skimpy top I never know if she's wearing anything underneath. One day she'll have on a tiny thong, the next she'll be completely naked and on one memorable occasion I found her wearing rubber knickers with a thick dildo attached and already well slicked up with her cunt juices.

Sammy can be smartly dressed like some office power-dresser, slinky in silks and satins or dominant in black leather with thigh length boots. Other times she'll open the door absolutely starkers except for sheer black hold-up stockings and high heels.

The time I want to tell you about, though, she opened the door and stood there with her head bowed, dressed in a school uniform; a crisp white shirt with tie, very short, pleated skirt, white socks and black shoes. With her hair tied in bunches Sammy certainly looked the part. She makes a very realistic schoolgirl.

Although she's in her mid-30s she wears size 6 to 8 dresses and moans that her ribs stick out further than her tits. While that's not strictly true, at least it gives you an idea of just how tiny she is.

"Hello sir," she said as I walked in and closed the door behind me. "I was told to wait for you because I've been naughty." Using her little girl voice Sammy went on to explain that her teacher had caught her with a hand up her skirt in biology and that she'd been sent to 'The Headmaster' to be punished.

Now I would be instantly dismissed if I'd been a real teacher, because I'm fairly sure that standing behind a pupil and cupping her pert breasts isn't part of any manual issued to the profession. But that's what I did and I felt the nipples start to harden under my hands as my naughty pupil moaned gently and leaned

in front of Sammy's face, feeding my now rock-hard cock into her mouth as she sucked deeply. Just when she was starting to enjoy it I pulled out and went round behind her, knelt down and parted her smooth, shaven cunt lips. I could lick her pussy all day because it's the sweetest tasting slit I've ever encountered. Her juices were simply running down her thighs at this point, I've never seen

"I began to spank her cheeks until they glowed a warm shade of red."

back against me. "Don't start enjoying this too much young Samantha," I said. "Don't forget you're here to be punished."

"Yes sir," she replied. "I've been a very naughty girl." With that I bent her forward over the bed and lifted her skirt to reveal a pair of tight white panties stretched taught over her sweet little arse. Slowly I pulled them down and slid them off her ankles. She got onto the bed, still kneeling, and I began to spank her cheeks until they glowed a warm shade of red.

"I think the biology teacher would expect me to cane you," I said. "Please don't do that Sir," came the instant reply. "It really hurts. I'll do anything if you promise not to cane me." Faced with an offer like that I was out of my clothes in a flash and knelt on the bed

of the delights of the derriere with fellow Club readers as it was better than even I'd ever fantasised about. Just before Christmas last year I was about to go on a festive shopping trip to New York with a couple of mates. But the night before I left for the Big Apple, I got stuck into a right little peach!

For the previous couple of months I'd been going out with Katie, who had a beautiful pert backside. The night before I was due to go away we went out for a meal and a few drinks. When we got back to her place and got inside she bent over to take her boots off. Well, the sight of that magnificent bottom meant I only had one thing on my mind.

As she stood up I put my arms around her and pressed my straining crotch against her arse. "Hmmm," she purred, looking at me with a wicked grin. "After some dessert are we?" I pressed my hand between her legs in response.

"How about something, peachy?" she teased, pulling away. Katie raced upstairs, then returned with a small bag. I recognised it as the one she kept her 'toys' in. I kissed her passionately as I unbuttoned her jeans and pulled them down far enough to squeeze her firm cheeks. As I nibbled her neck she whispered "How about you shag my arse, then?" My rock-solid cock felt like it would burst through my trousers. "Too right," I gasped as she knelt down, opened my zip and took my throbbing seven-incher in her hand. Katie winked at me as she opened her mouth and began to lick me. She slowly took me into her mouth, giving me the most devilish look I'd ever seen.

After a couple of minutes she stood up and continued stroking my hardness. I pushed her onto the sofa and pulled her jeans off before flipping her over onto her knees. She pushed her rear at me and I parted her buttocks. Katie opened her small bag and took out a tube of lubricant. She put some on her finger and liberally applied it to her bottom. Slowly, she pushed her finger in a little way. I took the tube and lubricated myself while Katie eased a second finger into her arse.

"I think I'm ready now," she smiled as she gripped the back of the sofa, put her head down and took a deep breath. I stood behind her and spread her cheeks with one hand. With the other I guided my rampant cock to her anus, which was slightly open now. She breathed steadily, then gasped as my swollen bell-end pressed against her. Suddenly her

her so worked up! I got behind her and slid my cock up her in one go and began to thrust into her with long, deep strokes.

"Naughty little girls shouldn't get this kind of treatment," I said over her shoulder. "No Sir," she replied. "But I'm not such a little girl really and I want to know what the big girls do for men." At first I wasn't sure what she was getting at, but when she bent even further forward and stuck her arse in the air I realised that this was the invitation I'd been waiting for ever since I'd known her.

I pulled my cock from her cunt and slid it over her arse crack. Then, with some extra lubrication scooped from her hole with my fingers and smeared over my helmet, I positioned my cock at the entrance to her dark hole. Even before I could do anything Sammy started to push back. Once we'd got the angles adjusted right I felt her arse relax and I slid inside. I thought about waiting a second until we both got used to the sensation, but she was like a woman possessed and I was soon ramming into her. She was unbelievably tight and there was no way that I was going to be able to hold out for long. I felt my come boiling up my shaft, so taking hold of her hips and pulling her right back onto me, I delivered a stream of hot spunk right up her arsehole. It was the most amazing experience of my life.

"Will you behave yourself in class now Samantha?" I asked. "Or will you be back for more punishment?"

"I expect I'll be back one day," she said. And believe me, she was!

HAPPY HOLE-IDAYS

I would like to share my first experience

sphincter relaxed and my bulbous head popped inside. She groaned and I stood still for a moment to allow her to get used to it. Her tight ring was a sight to behold as I held her buttocks apart

After a few seconds I began to ease further in. Katie gasped and groaned as more of my cock filled her snug rectum. "Ooooooh," she murmured as my heavy balls came to rest against her. "Mmmm, that's wonderful," she purred. I paused again to enjoy the sight and feeling of this gorgeous girl, her bum packed to capacity with my dick.

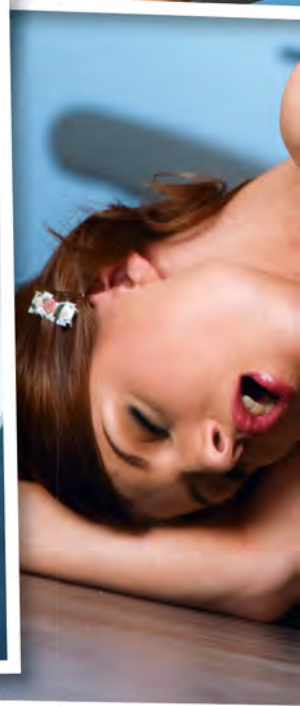

Katie reached for the lube and then put her hand to her pussy. She began to rub her clitoris, which made her buck against me. The muscles of her rectum rippled and twitched and I took this as a cue to begin slowly pushing back and forth. I increased my pace, with long, deep thrusts. She pushed herself back to meet me and I gripped her hips as I fucked her arse.

Katie propped herself with one hand on the back of the sofa as she frigged herself harder and harder. I pumped her bum faster, my thighs slamming against her and my balls slapping against her pussy. Suddenly her muscles spasmed and Katie shook violently as a powerful orgasm ripped through her body.

That spelt the end for me. My thrusting cock was squeezed in a vice-like grip as her rectum tightened around it. With one final push I slammed my dick all the way up her quivering bottom as I began to come. I was delirious as my balls emptied inside Katie's bum and within seconds I was completely and utterly drained. But Katie wasn't done yet.

Easing herself off my come-soaked prick she was already starting to get her breath back, while I flopped back onto the floor, amazed at the girl's stamina. "Now maybe it's time for the floorshow," she said. "You do like to watch, don't you?" she asked. I could only nod dumbly as she reached down into the bag of tricks she'd brought down earlier.

Katie pulled out a couple of impressive-looking dildos, one red and one blue, and gave me a big, broad smile. Clambouring back onto the sofa she poked her arse back up in the air and expertly worked the red toy into her bum hole where my rampant cock had been only a minute or two before. Once she'd inserted the shaft about halfway up, Katie then took the other dildo and slowly started to work it in and out of her pussy. Gasping a little as she felt the horny sensation of the toy moving against her pussy walls, Katie managed to balance the top half of her body on the top of the sofa so that she had both her hands free and then expertly started to wank herself off in both holes at the same time. Well as you can imagine the sight of this double

“ I slammed my dick all the way up her quivering bottom...”

penetration made me forget any feelings of tiredness and my cock started to rise to attention once more. I couldn't help bringing myself off one more time, climaxing at exactly the same time as Katie. We finally both collapsed again in sheer orgasmic pleasure. I kissed her gently, we cuddled up on the sofa together and finally we drifted off to sleep.

The next morning I was woken by my mobile phone ringing. It was my lift to the airport, so I hurriedly got dressed. As I rushed to leave I looked at Katie, who was still sleep. I bent down and kissed both of her beautiful buttocks before dashing out of the door.

NINA 

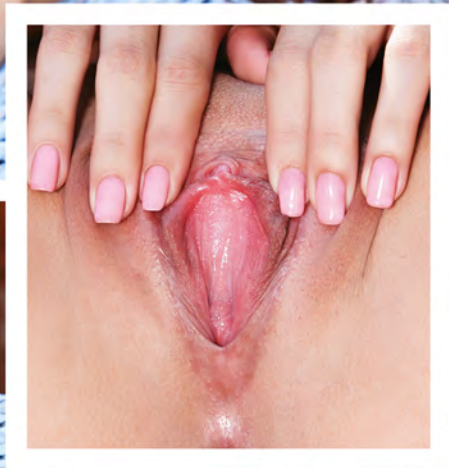

It has long been known that travellers are never truly lost if they can find the North Star. So when we travelled across the seas to the land of stars and stripes, we were guided by a Miss North, and the fact that our pricks were continually pointing towards the young lady like an internal GPS (who needs TomTom!). This 21-year-old is one fiery ball of desire, and Nina is well on her way to knowing it, as she glares unflinchingly at the lens and makes mincemeat of our sentiments towards her beauty. So we crack out the naughty talk, and Nina seems to prefer that as she giggles and bats back. A dark horse here we think.

Dear Total Recall,
Once upon a time in the depths of my youth
I opened an issue of Club to be greeted by
Kate and Lana, two of the hottest babes I

existed in my imagination. But there they were stoking
my fantasies and hardening my cock. It would be great
to see that set again, so I'm hoping you'll be able to do

that it was from Volume 32!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bearing Down!

Here's a couple of bear facts for you, one, if a bear sees you, you should never run from it, but instead back away slowly and to a place of safety. And two, if you do decide to run then bears, are nearly as fast as racehorses. So even if you're a professional marathon runner like Moninda Marube, based in Maine, that advice really should be followed. Marube was out on a 5 am run when he encountered two bears who stopped to

take a good look at Marube, who commented: "I had to think very fast." And remembered there was a house 20 yards away. The runner turned and sprinted towards the house as the Bears gave chase, gaining on Marube quickly. Luckily after not being able to open the door at first, he eventually found the latch and locked himself inside the screen porch. Soon the bears lost interest and went on their way.

Did you see the size of that salmon?

Gawping grizzly!

Grannynastics!

Most of us just hope to reach ninety-one, never mind being fighting fit and still doing the same things we did when we were in our late teens and early twenties. So when Johanna Quaas appeared on Little Big Shots: Forever Young, with a floor routine and then took to the parallel bars, it's safe to say jaws dropped. The German Born retired gym teacher, who has been competing since 1934, has taken part in over 500 competitions, and won some 30 championships, showed off some astonishing moves and proved getting old isn't all about the armchairs and zimmer frames. So there you have it, get on your bike now, and you'll still be able to get on it well into old age.

They said the bars were this way, G&T?

100 burpee's before breakfast!

Putin's Potty!

MI6 haven't got shit on me!

and the World War of 1812 Museum can be seen sliding across the famous square at some speed as pedestrians hurriedly try to get out of there way. Footage uploaded on Twitter gained references to the next series of Doctor Who, and one user commented, "Even the toilets are fleeing from the bloody regime." Must have been the whiff of propaganda that set them off.

We've all done a no.2 that haunts the toilet for some time after, offending every nose that comes within a meter distance. But what if your Kermode actually chased you down the street. Scenes in Moscow recently have shown portable loos chasing pedestrians during a powerful storm. The loo's located in Red Square between the Moscow Museum of Archaeology

Who is this smoking hot female we have before us perfectly illustrating the oomph factor? You all know by now that it's our very own British babe Penny Lee hitting her suspender straps in a seductive lingerie set. So where has this naturally busty beauty been recently?

"Well, I've been working hard and doing a lot of custom videos for my fans. Which is great fun, you find out all the different things people like."

Any really odd requests?

"I did have someone request for me to slather myself in baked beans once. Of course, I did say it would have to be Heinz and no other bean would do."

That's our Penny classy; even when it comes to baked beans, only the best will do!

Diamonds are Charlie Rose's best friend by the looks of things, as the foxy lady shows off a choker that probably made the purchasers eyes water. But that's enough said about the materialistic side of things, let's get down to the physical because Charlie most certainly holds all the cards there, showing off her curves, natural baps and peachy behind for the camera. It's like a scene from *Some Like It Hot* in the studio, minus the feathers for now...

ANNA 

Joy comes in many forms, and in our line of work, one of those forms is Anna, who has been giving us more than a helping hand when it comes to imagining rolling her hold-ups down. So with that in mind, Miss Joy artfully unleashes

a strip tease that has us captivated and the camera as you can see.

"I can't wait for all your horny readers to see this. Just thinking about it is making my pussy pulse."

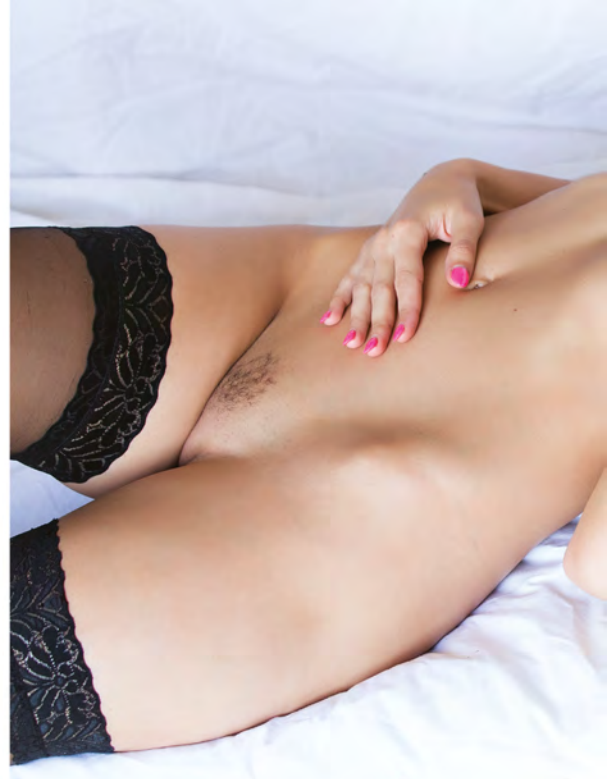

A little bit of joy goes a long steamy way.

Here's a Club favourite who has been off the radar for awhile, the simply stunning Christina Cinn is back and packing a punch this month in a black lacy thong and hold-ups, that has us frothing at the mouth.

So what's been keeping this lady out of the limelight?

"Well, I decided to take a long vacation, which ended up being really, really long! I was having too much of a good time and enjoying myself, and I thought what the hell, you don't have a break that often."

Thankfully Christina has dispensed with her afternoon cocktails for now and is back to fan your flames.
